PRESENTE

My role and work plan as treasurer is as follows:

FEATURES:

- Control the monetary resources available to the Region.
- Keep financial statements up to date, balance sheets, record of income and expenses for complete transparency of the treasurer's management.
- Have the fee receipts and other treasury documents organized and signed.
- Make payments approved by the Regional Board of Directors, which will be previously approved by the President.
- Keep petty cash updated for any emergency disbursement.
- Comply with all tasks entrusted to him by the Regional Board of Directors and that are related to his functions.
- Ensure good financial administration of the Region's resources.

WORKPLAN

- ❖ Use technology to be in contact with all the treasurers of each association and be informed about their canceled dues, dues payable, etc.
- ❖ Create a strategy to encourage prompt payment of memberships by granting them a percentage discount for the following year of registration, rewarding the association with gifts that can be attractive such as a Wfis flag, hats with the Wfis insignia, etc.
- ❖ Restructure or refinance debts if there are any prior agreements between the representatives of each association.
- ❖ Have various Wfis items for sale at each Assembly.

Greetings

Segundo Pedro Pérez Irureta
Secretary C.D.N. AISTA PERU
